What are your next actions and what steps will you take to implement them?	When will you complete each action / strategy? What evidence will you use to measure success?	Which team member will be responsible for completing this action?	What resources will you need to be effective? (e.g., teacher release time, professional development, meeting space, differentiated materials, etc.)	How will we respond if students don't learn? How will we respond if they do? (Next Steps...)
