Teachers Working Out-Of-Field

Citrus Springs Middle School is proud that all of our teachers and administrators who work with our students are certified by the State of Florida or other governing board. We appreciate the following teachers for volunteering to teach a subject outside of their primary certification. These teachers are taking classes to obtain certification in the areas in which they are teaching out-of-field.

Teacher	Course/Class
Burd, Maria	ESOL
Hartley, Brett	Varying Exceptionalities
Stomiany, Joelle	Middle Grades Science
Woodworth, Allison	Varying Exceptionalities
Abramowich, Kelly	Middle Grades Mathematics
Hamilton, Robert	Middle Grades Science

These teachers have both experience and coursework in the areas that they're currently teaching. They are excellent teachers, and we appreciate the extra effort they are putting forth on behalf of our students.

Respectfully,
