

COORDINATOR, CAREER AND TECHNICAL EDUCATION

GENERAL RESPONSIBILITIES

The Coordinator is responsible for the planning, coordinating, staff development training, and assessment of Career and Technical Education programs. The employee is responsible for keeping abreast of changing technology, and labor market trends to ensure that students are receiving the information necessary to prepare them for successful entry into a career, higher education, or the military. Develops and nurtures partnerships with schools, businesses, and our community.

ESSENTIAL FUNCTIONS

(These are intended only as illustrations of the various types of work performed. The omission of specific duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.)

- Serve as the point person for division-wide initiatives in content area assigned.
- Develop and update 6-12th grade instructional materials including but not limited to curriculum guides, objectives, and content specification documents, learning plans, parent/student documents, assessment instruments, digital resources, and report cards.
- Provide guidance in the selection of textbooks, textbook adoption committees, and other instructional materials and equipment for the assigned program.
- Maintain basic and supplementary list of instructional materials and partner with Distribution Services to manage deliveries and classroom materials transfers.
- Prepare and monitor the program's digital resources, materials, textbook and general budget.
- Develop and build assessments in the division's learning management system, review and analyze balanced assessment data for the assigned program 6–12 to inform professional learning, instructional coaching, curriculum development, and monitor progress toward division goals...
- Participate in and help facilitate collaborative meetings (e.g., PLCs) and participate in school support meetings to provide guidance and data analysis for diagnostic assessments and division assessments 6-12th grades
- Analyze and interpret assessment data to inform SOL remediation plans and provide remediation support, as needed.
- Participate in the state academic review processes for the state to ensure any school in need of support in maintaining accreditation is effectively supported in the process.
- Develop and facilitate teacher, teacher leader, and principal professional learning in the content area, assessment practices, and effective instruction aligned to the Teaching and Learning Framework.
- Review digital resource and consultant requests to ensure the content of resources and presenters is aligned to the standards and to the division's Strategic Framework.
- Monitor the effectiveness of instructional coaches and provide feedback to enhance their practice.
- Work collaboratively with K-12 coordinators to develop short and long-term goals for the curricular area with an emphasis on K-12 alignment and articulation.
- Support and work collaboratively with principals and teaching staff to effect horizontal and vertical continuity and articulation of the instructional program throughout the division.
- Provide ongoing instructional coaching and professional learning for teachers, teacher assistants, instructional coaches, and administrators in the content area in addition to social emotional integration.
- Observe teachers as requested by building administrators and provide immediate feedback to enhance instructional planning and delivery practices.
- Work collaboratively with staff members in the Department of Teaching and Learning and other departments, as assigned.
- Work collaboratively with team members and principals of assigned schools to support each school's Plan for Continuous Improvement and the division's Strategic Framework.
- Update and maintain the program's Web site and Learning Management System (LMS) to communicate, provide professional learning, and organize curriculum and assessment materials.
- Serve on a variety of local and state committees, representing the school division in educational projects and initiatives.

- Stay abreast of the most current research in the content area, instructional coaching, leadership, social emotional learning strategies, and equitable practices.
- Perform related work, as required.
