

What is a School-Parent Compact?

A School-Parent Compact is an agreement that families, students, and teachers develop together. It explains how families and teachers will work together to make sure all students reach grade-level standards.

Effective Compacts:

- Link goals to the School Improvement Plan
- Focus on student learning skills
- Describe how teachers will help students develop skills using high-quality instruction
- Share strategies families can use at home
- Explain how teachers and families will communicate and work together

Jointly Developed

The families, students and staff of Burks Elementary School developed this School-Parent Compact. Teachers suggested home learning strategies, families added ideas, and students told us what would help them learn. Meetings and events are held each year to review the compact and make changes based on student needs.

Families are welcome to contribute comments and suggestions at any time.

If you would like to volunteer and/or participate at the school please contact Maria Wells at www.mwells@pcsstn.com or 931-839-7641

Building Partnerships With Families

- First FE meeting Aug. 21, 2020
- Parent/Tea. Conf. Sept. 14, 2020
- Second FE meeting- Dec.6, 2020
- Parent/Teacher Conf. Feb. 22, 2021
- 3rd FE meeting April, 2021
- Parent Surveys
- Ready for Kindergarten
- Power School
- Kindergarten Registration

Communication About Student Learning

Burks Elementary School is committed to frequent two-way communication with families about student learning. Some of the ways you can expect us to reach you are:

Weekly folders
School Messenger
Emails and texts
Apps, such as Class Dojo and Remind
Current grades on Power School
Updates on the school website
Parent/Teacher Conferences
Sept.14, 2020 and Feb. 22, 2021

Contact your child's teacher by phone at 931-839-7641
Email addresses are listed on the school website at www.burkspanthers.com

<p align="center">Our Goals for Student Achievement</p>	<p align="center">Teachers, Families, Students – Together for Success</p>	
<p align="center">District Goals</p> <p>The Board of Education sets goals for the district. The district goals for 2020-2021 are:</p> <ol style="list-style-type: none"> 1. All Means All 2. Educator Development and Support 3. Academic Success for All 4. Improve College and Career Readiness <p align="center">Burks Elementary School 2020 - 2021 Goals</p> <p>Burks' administrators and teachers have studied student achievement data and have aligned our school goals with the district.</p> <ol style="list-style-type: none"> 1. All Means All – Burks supports all students through social-emotional, behavioral, physical health, family, community engagement, communication, safety, and climate. 2. Educator Development and Support Burks fosters educator development with professional learning and supports, that enhance teaching and learning. 3. Academic Success for All- Burks has high expectations for all students using engaging, grade appropriate tasks in all subjects reflecting success and growth. 4. Improve College and Career Readiness- Increase the number of students participating in College and Career exploration opportunities. 	<p align="center">In the Kindergarten Classroom</p> <p>The kindergarten classroom will work with students and families to provide the skills to successfully complete kindergarten and move to the next grade. Some of our key skills are</p> <ul style="list-style-type: none"> • Letter and sound recognition • Sounding out simple words • Recognizing, identifying and writing numbers from 1 to 20 • Being able to listen and remain focused for 10 – 15 minutes of uninterrupted time 	<p align="center">At Home</p> <p>Burks School families joined staff to develop ideas about how families can support students' success in reading and math. Families may have other ideas to add to this list.</p> <p>Read to your child every day Ask who, what, where, when, why questions</p> <p>Talk to your child about the world around them</p> <p>Use Ready Rosie at home</p> <p>Try to attend Family Engagement events held at the school</p> <p>Look for class newsletters and/or notes</p>
<p align="center">Burks School Students</p> <p>Burks School students joined staff and families to develop ideas about how they can succeed in school in math and reading. Students thought of the following ideas to make connections between learning at home and school. Students wanted:</p> <ul style="list-style-type: none"> • Try to be better organized • Use different strategies to solve problems • Have family members help me to study and complete homework • We need Wi – Fi and supplies • Parents help me create a plan of action to improve • Remind me to read every night for 20 minutes
