Corporate Landing Middle School Student Council Earns National Recognition

Virginia Beach, Virginia April 15, 2020—For its exemplary record of leadership, service, and activities that serve to improve the school and community, the Corporate Landing Middle School student council has been recognized as a 2020 National Council of Excellence by National Student Council (NatStuCo).

“Receiving a National Council of Excellence Award reflects dedication on the part of the school to providing a strong, well-rounded student council program,” said Nara Lee, National Association of Secondary School Principals (NASSP) Director of Student Leadership. “NatStuCo applauds the work of the National Councils of Excellence and challenges them to continue their leadership and service to their schools and communities.”

Corporate Landing Middle School Advisors Kristen Brinkman and Astrid White, along with their council, have serviced with pride, lead with confidence and inspired to impact lives.

To meet the requirements for the National Council of Excellence Award, a student council must meet a variety of criteria. In addition to basic requirements such as a written constitution, regular meetings, a democratic election process, the councils have demonstrated successful sponsorship and participation in activities such as leadership development and service to the school and community. Councils awarded receiving the award have successfully met all required criteria based on standards established by the National Student Council.
