

Students who graduate or withdraw from the District and have \$10.00 or more left in their lunch or meal food service account will be notified by mail, phone, or email by food services at the time of winter break and again at the end of the school year and will be given the option to transfer the funds to another student or to receive a refund. If no response is received within 30 days the student's lunch or meal account will close and the funds will no longer be available. Unclaimed remaining balances will be transferred to an "other revenue" account.
