

Attention All Juniors and their Family

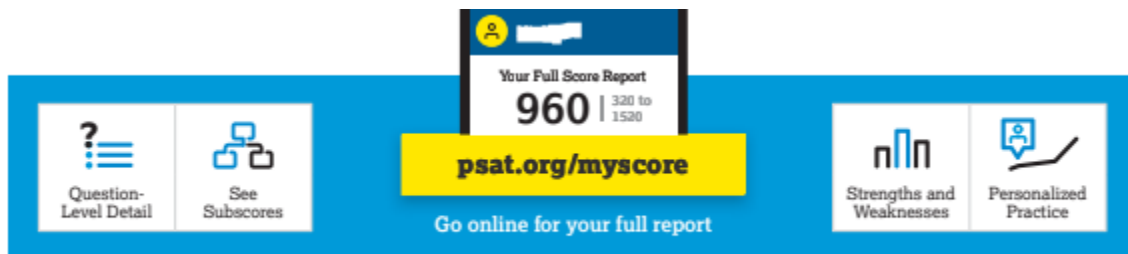

PSAT Results are In

In October, all students documented as 11th graders (Juniors) were given the opportunity to take the PSAT/NMSQT. Each student's PSAT/NMSQT Score Report will be available mid-December.

Students, in order to access your score report, please follow the directions and use the resources linked below.

Students should **log in to their College Board account or create a new one** at studentscores.collegeboard.org. A dashboard will show their most recent scores.

Students can navigate their score report with the video linked below and gain access to question level details, subscores, areas of strength, areas for growth, and individualized practice.

A graphic showing a sample PSAT score report. The central focus is a white card with a blue header and footer, displaying "Your Full Score Report" and a large score of "960" with a range of "320 to 1520". Below the score is a yellow banner with the URL "psat.org/myscore". The card is set against a blue background with four white boxes containing icons and text: "Question-Level Detail", "See Subscores", "Strengths and Weaknesses", and "Personalized Practice". Below the card, the text "Go online for your full report" is displayed. In the bottom right corner, the number "01702-148" is visible.
