

December 2021

Dear Immaculata High School Parent,

After consultation with the Immaculata School Board, it has been decided that tuition for the 2022-2023 school year will be \$16,275 for underclassmen and \$16,475 for seniors. This increase of 5.0% is necessary to meet the rising cost of operating the school. The technology fee has also increased to \$300 to cover the insurance costs on all Chromebooks, as well as the costs to better improve the technology of the school. We understand that some families will not be able to easily manage this increase. Assistance is available through the following sources:

Assistance from the Diocese of Metuchen:

If you are Catholic and registered in a parish within the Diocese of Metuchen, you may apply for assistance online using the FACTS Grant & Aid Assessment. Assistance for Catholic students is funded through the Foundation for Catholic Education. For information and application instructions please proceed to our school website, www.Immaculatahighschool.org/tuition.

Assistance from Immaculata High School:

If you are not Catholic or not registered in a parish within the Diocese of Metuchen, you may apply for assistance using the same online application through the FACTS Grant & Aid Assessment. Assistance for our Non-Catholic families is funded by Immaculata High School. For information and application instructions, please proceed to our school website, www.Immaculatahighschool.org/tuition. Please note, funds are quite limited so prompt and complete applications are extremely important.

Student grades, conduct, service and attendance are important for all assistance considerations.

Applications must be fully completed with all supporting documents uploaded by March 31, 2022. Those applying for assistance must undertake an agreement of confidentiality, both on the Committee side as well as on the recipient side. All applications and distributions are confidential.

Re-registration paperwork will be distributed in January. Once received, please return it quickly to aid us in planning for the year to come. Thank you for choosing Immaculata High School for your child/ren and for being a vital part of this thriving community.

Blessings and best wishes for a successful 2022!

Sincerely,

Robert Condo
