## Who we are and how you can help

We are a group of parents who plan and organize school fundraising events throughout the year.

You can help by attending monthly meetings to offer your input, help out with fundraising, or run your own fundraisers.

## NEW PLAYGROUND!

Most of our efforts in 2019 and continuing into 2020 have been raising money to build a new playground to replace our current small playground. Through our fundraising efforts and grants, we are happy to announce we will be going ahead with construction during the summer of 2020!

## How the money is used
