

WHO ARE WE, WHAT WE DO, AND HOW TO JOIN THE TEAM!

Many of you have heard of Friends of Leo Nickerson, but you wonder what exactly it is we do, and where all the money goes that we raise. We are a small group of parent volunteers who organize and run fundraising campaigns and events to help purchase items for the school that Leo Nickerson otherwise wouldn't be able to have.

The Friends of Leo Nickerson committee members together with the school administrators annually plan what the schools needs and wants are, and which expenditures the Friends of Leo Nickerson group will pay for. **Please join us, we need the help!** We meet the second Thursday of the month at 7pm in the staff room.

Our long term goal is to replace one of the school playgrounds. This is a massive project, and we are happy to announce that Courtney Jensen will be spearheading the playground committee. If you'd like to be a part of this monumental task, please get in touch with her at cusenik@gmail.com.

FUNDRAISER UPDATES

CHUCK-A-PUCK

Thank you to everyone who came out and helped us with this fundraising event! This is one of our most successful fundraisers. It is through the sales of the Oil Kings tickets and vouchers that allow us to attend this event. A huge thank you to Denise Watson for organizing the event, and continues to take orders for tickets.

AMOUNT RAISED **\$1600**

LAURA SECORD CHOCOLATES

This fundraiser has been our most successful fundraiser the last few years. Together, the students sold approximately 210 cases of chocolates. Once the remaining chocolates and money have been returned to the school, we will draw for the winner of the iPad.

AMOUNT RAISED SO FAR **\$8000**
