

Instructions for selecting options for the 2022-23 School Year

This year we will have students/parents make option selections through PowerSchool. This process cannot be done on the App. Please note, this will NOT be first come/first served however all choices must be made by April 8!! You will make your course selections through PowerSchool and they will be sorted according to what works best for your timetable. Your first choices will be used unless there is a schedule conflict. This is why we request that you make alternate choices on the course selection form. Please do not choose alternates that you have already chosen for your first choices.

Please sign into your Parent Portal or Student Portal and follow the instructions below for selecting your options. Use this following link to sign into PowerSchool. <https://spschools.powerschool.com/public/>

You will then either create an account if you haven't already, or sign in using the username and password that you have set up previously. If you have not created an account, a paper copy with the instructions and sign in information was sent home with your student on Wednesday afternoon. If you have created an account and do not remember your username or password, please contact the office and we can provide you with this information.

Once you have signed in, on the left hand column you will see the heading "Class Registration". Click that link. It will take you to the following page.

Welcome to the Lorne Akins Junior High School Class Registration System for 2022-2023

Thank you for selecting your options for the 2022-2023 school year. The courses you choose must add up to 4 credits for the year, 2 credits per semester. Each full year course is worth 1 credit and each half year course is worth 0.5 credits. Read the instructions and the course descriptions carefully before making your choices.

View course requests

GRADE 8 FULL YEAR OPTIONS Click the edit button to request a course  

You may choose up to a maximum of 3 from this list.
If you do not want any Full Year Options from this list, you do not have to choose any. You may proceed to the Grade 8 Half Year Options.
Number of requests to generate: 1

GRADE 8 FULL YEAR OPTION ALTERNATES Click the edit button to request a course  

If we are unable to use all of your first choices for options due to a scheduling conflict or the option being full, these are the choices you would like instead. PLEASE DO NOT CHOOSE COURSES THAT HAVE ALREADY BEEN CHOSEN ABOVE.
Number of requests to generate: 1

GRADE 8 HALF YEAR OPTIONS Click the edit button to request a course  

You can make a maximum of 6 choices from this list.
Each half year option is worth 0.5 credits. If you are choosing options from this list, you must at least two to count as one full credit.
Number of requests to generate: 1

You will need to select a total of 4 credits for the school year. Each full year course equals 1 credit and each half year course equals 0.5 or a half credit.

For each section you will need to click on the   on the right of the screen to make your choices.

Put a check mark next to the courses you want to choose. Make sure you are choosing the right number of courses based on the instructions for each course section. ****Remember, if you are choosing half year courses, you must choose even numbers so the credits add up at the end.****

<input checked="" type="checkbox"/>	Computers 8	CTS8160	This intermediate course will focus specifically on computer skills, computational thinking, coding as well as interactive and innovative technologies. No prior experience is required, however, it would be beneficial.	0.5		
<input type="checkbox"/>	CTF - Device Photography	CTF8210	This course is designed to train students to capture, create,	0.5		

Once you have made your selections on each screen, make sure you go right to the bottom of that screen and select “okay”. If you do not do this, your option choices will not be registered.

<input type="checkbox"/>	Fitness & Well Being 8	LDC1398	exams. In addition, students will look at a variety of driving scenarios focused on defensive driving techniques and driver safety that help students become safe and responsible drivers in the future. Even students who already possess their Class 7 licence will find valuable information in this course. The course is classroom based only and does not include on-road experience. Using the fitness room as a base, students will set personalized goals, create customized meal and workout plans and track their nutrition and fitness progress. Technique will be a focus, ensuring proper use of exercise equipment and safety.	0.5

✓ You may select up to 6 courses. You have selected 4 course(s).

Cancel Okay

Reminder - The credit amounts must equal 4 credits for the whole year. This includes 1 full credit for Phys-Ed **OR Phys-Ed Plus which is a required course.

After you complete the course selection, at the bottom of your screen you will see a credit count. If you have not selected enough courses to equal 4 full credits, you will get a message indicating this.

As you make your selections and click “Okay” at the bottom of each section, the courses you have just selected will appear on the screen in that section.

Thank you for selecting your options for the 2022-2023 school year. The courses you choose must add up to 4 credits for the year, 2 credits per semester. Each full year course is worth 1 credit and each half year course is worth 0.5 credits. Read the instructions and the course descriptions carefully before making your choices.
