

## **Sir Alexander MacKenzie Elementary School & Staples Supply Ordering 2022-23**

Dear Parents:

Trust Staples - everyone's Back-to-School Headquarters - to come up with a better way to streamline the process of getting yourself ready.

### **Staples School Tools Program**

Our program provides you with direct access to the school supplies your child will need - as provided by their teachers - and an easy way to order them without ever leaving home. You'll save time. You'll save money. And you'll have exactly what you need to give your child the best start possible.

*Orders should be placed after July 21, 2022 to ensure parents receive the best possible pricing.*

### **Highlights of the program**

Parents can deselect items from their child's list should they already have them. Additional items such as backpacks, chromebooks, locker accessories, etc can be added if desired. Core list items only will be discounted by 5% for orders over 25\$ and 10% for orders over \$50. Your school will also be using the School Fundraising opportunity, a \$5 donation has been added to each order for the school to use for school fundraising committee use.

**Please Note:** There are items that are required for the first day of school such as backpacks, running shoes, gym clothes, lunchboxes, etc that are not part of the Staples core packages. Please ensure your child has these items for the first day of classes.
