June 13<sup>th</sup> Andrew

July 11<sup>th</sup> Caleb

July 27<sup>th</sup> Harish

August 11<sup>th</sup> Jayden

August 22<sup>nd</sup> Maxwell

## May News

June has arrived! This year has been such a whirlwind and I can't believe that we are already in the last month of school. This past month the children have had a great time learning about Spring and rodeo. We had such an exciting rodeo day with many fun events. The children tried barrel racing on our pool noodle ponies, they rode a bucking bull out of an upside down table shoot and even tried their hand at roping some cattle. This last month of school we will explore the theme of colors and then go back to some of our favorite activities from throughout the year. I want to take this opportunity to thank you all for sharing your children with me this year. I have absolutely loved getting to know them and guide them in their learning. I wish all my "bigs" great luck in kindergarten and am excited to see our "littles" back in September. I hope we have a great last month together.

### Rainbow day:

On Thursday June 2<sup>nd</sup> we will have rainbow day in our Preschool class. Please send your kiddo in as many colors as you can. This will be a great way to kick off our color unit and celebrate Pride week in our district.

On Thursday June 23<sup>rd</sup> we would like to invite all of our preschool friends and their families to Liberton Park from 5:30-6:30 for a special year end celebration. We can enjoy some sunshine and a play in a park together. Parents will be required to stay at the park with their children for the duration of the celebration. We hope to see you all there; please keep your eye out in your child's backpack for an invitation and please send back your family numbers as soon as possible. If you have any questions please let me know.

# How We Grow

## The Last day of Preschool:

It seems far too quick to be talking about our last day together! On Tuesday, June 28th we will have our last day of Preschool for all students; children come to school at the regular time. Later in the day we will have our final closing circle and will present the children with a certificate and their scrapbook. We would like to invite parents into the classroom for this exciting celebration. Please arrive at our regular door at 10:30am and we will let you in to sit with the children.

## Book Orders:

Here is the link to the June Scholastic book order Flyer:

<https://classroomessentials.scholastic.ca/s/cec-ca/en/digital-catalogues>

Please note this program is entirely optional if you do choose to order our classroom code is:

**RC183453**

## Illness Policy:

Thank you once again to all parents for continuing to screen your children, keeping them home when they are sick and getting your child tested. This is our best defence to keep our students and staff healthy and preventing a COVID outbreak in our classroom. I really appreciate all your support in keeping our classroom a safe and healthy place to learn this year.

## Updated Screening Tool Link:

## Try this at home

### Parks

Kids love playing in playgrounds and parks! Visit some different parks in your community.

-Spend an afternoon playing ball, swinging, sliding, running, flying a kite, or playing in the wading pool.

-Talk about what you are doing, and use lots of action words like jump, roll, slide, walk, splash or run.

-Be sure to join in and play too.

### Books

Little cloud by Eric Carle

It looked like split milk by Charles G. Shaw

Beach day by Karen Roosa

## Reminders

For our children receiving supports and services through PUF I will be sending home final copies of the year end IPP later this month. Please read through and return a signed copy to preschool and don't hesitate to contact me if you have any questions. All therapy reports from our therapy team will come home June 24<sup>th</sup>.

If you have any questions or concerns at anytime please feel free to contact me. I hope we have an excellent last month together!

Gillian Demery ☺
