April News

What a wonderful month hopping around and talking about eggs and bunnies. In April, the children explored matching eggs, talking about baby animals, and balancing eggs on spoons. They had a great time hunting for eggs and chocolate from the Easter bunny and playing throw the ring on the bunny ears. In May, we will continue to explore spring and then move onto our rodeo theme. Happy Mother's Day to all the moms in our classroom family! I cannot believe how quickly this year has flown by. We are hoping to invite families into the classroom for our end of the year celebration. Stay tuned for all the details.

Illness Policy:

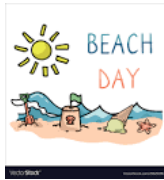

Thank you once again to all parents for continuing to screen your children, keeping them home when they are sick and getting your child tested. This is our best defence to keep our students and staff healthy and preventing a COVID outbreak in our classroom. I really appreciate all your support in keeping our classroom a safe and healthy place to learn this year.

Beach Day:

How We Grow

On May 19th we will be pretending to go to the beach in classroom. Please send your kiddos in their beachy clothing and sunglasses. We will build sandcastles, drink umbrella drinks and possibly even do some sun tanning.

Rodeo Day

On May 26th we will be part of a real rodeo. The Preschool Rodeo will have events such as roping, riding a bucking broncho, and barrel racing. Please send the cowboys and cowgirls to school in their wranglers and cowboy hats! Heehaw!

Try this at home

Rainy days

- Adults like to stay inside when it rains, but children like to play in the puddles. Put on your rubber boots and try splashing in the puddles together.
- talk about the clothes you need to play in the rain
 - raincoat, umbrella, hood, rain hat, rubber boots, and rain pants
 - see who can make the biggest splash
 - go for a walk and count how many puddles you find
 - keep an eye out for the worms on the sidewalk. Explain that they don't like to stay in the ground when it rains. Count how many you see.
